

Standards: on-line premium

Find it at: www.lib.monash.edu.au/databases/

Standards: online premium contains:

- the full-text of 7000+ Australian standards
- details of the standards issued by many of the major international standards organisations.

Use Standards: online premium to find:

- standards for materials, products, processes etc
- full-text of Australian standards
- international equivalents of Australian standards
- details of the standards issued by ISO; IEC; EN; ANSI; ASTM; BSI; DIN; ETSI; JSA; and NSAI.

Tips:

- Use standard numbers to search when known.
- Browse the international standards already purchased by the Library through the **My international docs** menu item.
- Most international standards are not accessible but are available for purchase as PDF files.

Look for similar information in:

- ASTM printed set of standards in the Hargrave-Andrew Library
- IEEE Explore for full-text IEEE standards
- SAE handbook on CD-ROM.
