

Australian Bureau of Statistics

Find it at: www.lib.monash.edu.au/databases/

Australian Bureau of Statistics contains:

- a comprehensive collection of Australian statistics on all aspects of Australian life from 1998 on and a selective coverage of earlier statistics
- Census of Housing and Population data for 1996, 2001 and 2006
- information on non-ABS statistical sources, both Australian and international.

Use Australian Bureau of Statistics to find statistics on:

- environment, energy, labour force, education, ethnicity, crime, disability, health
- CPI, National accounts, business indicators, balance of payments, mining
- tourism, manufacturing, retail trade, foreign trade.

Tips:

- Broad data for Australia as a whole, try **Key Products** from the left menu bar.
- More specialised data-use **Themes** from the left menu bar.
- To see if the Census has the data you want, go to **Census** from the left menu bar and try **Find Census data by Topic**.
- Use the **Details** tab on product pages to access the full publication.
- Can't find what you're looking for? Use the **Help** option at the top of the ABS Homepage, ask at the information desk or ring the free helpline: 1300-135-070.

Look for more information:

- see options under **Statistics** at www.lib.monash.edu.au/govpubs/australia/
